The game was originally published by Mystified, with the final version being published by Activision. The game is a follow-up to the video game Mysteries of Haunted Manor. This game was released in four episodes, each with a fixed price. The fourth episode was initially released for \$2.99, and raised the price of the episodes. The PCs in this game are from a small town named Huntsville, named after the massive Huntsville Detour used in The Amazing Race. Plot: Deep in the heart of the labyrinth of the Ravenhearst, lies a lonely three-story tall, medieval-looking castle. It is manned by a group of terrorists, but they are not able to escape. One by one, the civilians and not-so-civil-policed policemen enter the building. Their goal: to find and rescue the hostages located in the rooms of the labyrinth. Mystery Case Files: Dire Grove is a Mac application developed by SienarSoft Studios. Upon successful installation, the Mac installer creates a folder named SienarSoft and places all the icons into the Applications folder.
